Action Taken on Feedback System on Academic Performance and Ambience of the Institution

Academic Year 2022-23

Action Taken on Feedback System on academic performance and ambience of the Institution in the Academic Year 2022-23. The feedback with respect to academic performance received from the employers reflects that the latest technologies should be incorporated and offered to the students. Feedback by the students which was collected and analyzed also shows that latest technologies should be taught to them which in turn would help them with job opportunities or further studies. Analysis of feedback from alumni also reflects the same, after identifying the curriculum Gaps, teachers suggested for new courses to be offered in the curriculum, considering these a report has been prepared and placed in the Department Academic Committee for further proceedings. Following are the various activities which were executed in line with the suggestions given by the committees.

Following are the various activities which were executed in line with the suggestions given by the committees

Proposal was sent to JNTUH for including new courses in the upcoming curriculum so that the curriculum gaps identified by our faculty shall be addressed.

Conducted a campus placement drive for all IV-year students
