**DR. VRK WOMEN'S COLLEGE OF ENGINEERING & TECHNOLOGY**

Dr. VRK Women's College of Engineering & Technology (DRVRKWCET) was established in 2002 by Dr. VRK Educational Society, founded in 1985. It stands as the first Muslim Women's Minority Engineering College affiliated with Jawaharlal Nehru Technological University, Hyderabad since 2002 and is approved by AICTE, New Delhi.

DRVRKWCET holds ISO 9001:2015 certification and member in the National Digital Library, NPTEL, and Institution Innovation Cell.

The college offers 5 undergraduate programs in Computer Science and Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Artificial Intelligence and Data Science, and Computer Science and Engineering (Artificial Intelligence & Machine Learning), with an annual sanctioned intake of 180. Additionally, there are 1 postgraduate programs in Computer Science and Engineering with an annual sanctioned intake of 12.

The HEI Situated on a spacious 10.23-acre campus near to Hyderabad city, with a plinth area of 11050 sqm, DRVRKWCET has a student strength of 161 (AY: 2022-23), faculty strength of 40 (AY: 2022-23), and over 24 faculty members holding Ph.D. qualifications.

The institution adheres to all rules and regulations set by the affiliating university (JNTUH) and statutory bodies, with comprehensive information available on our Institutional Website: [www.drvrkwomenscollege.com](http://www.drvrkwomenscollege.com).

DRVRKWCET features a Research and Development center, a Digital Library housing 14,000 books, 20,000 online journals, and over 200 printed journals. The educational experience is enriched with Expert Guest Lectures, Industrial Visits, Seminars, and Workshops. Equipped with Effectively laboratories providing extensive practical exposure, the institution also mandates soft and life skills training for students, maintain industry-institute relationships through MoUs with leading industries.

E-resources like NDigital, DELNET and J-Gate are available for students to access online journals and books. More than 70% of the students have been successfully placed in top MNCs. The campus ensures the well-being of both students and staff with requisite medical facilities. Management offering Free Educations for all girls' students to empower Minority Community and the entire campus is under CCTV surveillance.

*Dr. B. Sasi Kumar*  
*B.E., M.E., Ph.D. (CSE)*  
*Principal*

Dr. B. Sasi Kumar, a distinguished academician and administrator, serving as the Principal of DRVRKWCET. With a profound educational background, he earned his B.E (CSE) degree from Bharathidasan University in 1989, M.E (CSE) degree from Madras University in 2001 and completed his Ph.D. from ANNA University in 2011. Dr.Sasi Kumar brings to the institution over 34 years of rich experience in academics, administration (14 years as Principal and 12 years as HOD), and research.

Joining DRVRKWCET in 2017 as Principal, Dr. B. Sasi Kumar has played a pivotal role in shaping the educational landscape of the institution. His commitment to academic excellence is evident through his guidance to more than 200 UG and PG Computer Science & Engineering students. With an extensive research portfolio, he has authored over 30 papers in various international journals. Furthermore, he has successfully guided two Ph.D. research scholars and is currently supervising two more under Anna University.

As the Principal of DRVRKWCET, Dr. B.Sasi Kumar envisions the institution as a nurturing ground for young minds, encouraging and challenging students to excel and become the best version of themselves. He emphasizes a system of education that integrates state-of-the-art technology with a global perspective, preparing students to be world citizens of tomorrow.

In his role, Dr. B. Sasi Kumar is dedicated to fostering an exciting and invigorating learning environment, where students take center stage in teaching and learning. The collaborative efforts of a dedicated staff, working and learning together in collegiate teams, aim to maximize students' potential through effective teaching strategies and support systems.

Recognizing the importance of parents and caregivers as valued partners, Dr. B. Sasi Kumar encourages their active involvement in the learning journey of their children. He believes in the holistic development of students, emphasizing the need to educate not only their minds but also their hearts.

Dr. B. Sasi Kumar's leadership philosophy revolves around building the youth for the future, equipping them to face the challenges of tomorrow while ensuring an enjoyable learning experience. He inspires all DRVRKWCET students to focus on their goals, transcend mediocrity, and strive for excellence. In his words, "We cannot always build the future for our youth, but we can build our youth for the future."

## SUMMARY OF THE JUDGMENT OF THE HON. SUPREME COURT DELIVERED ON THE 8<sup>th</sup> MAY 2009.

- I. The Hon. Supreme court ordered that a number of recommendations made by the Raghavan Committee be implemented immediately. These included
  - Confidence building measures such as appointment of counsellors, arrival of senior students a week or two weeks after the Juniors have arrived; joint sensitization programmes; joint orientation programme of 'freshers' and 'seniors' to be addressed by the principal/Head of the institution; organization on large scale of cultural, sports and other activities; make provisions for faculty members to dine with the hostel residents in their respective hostels etc.
  - Every institution must have an Anti-Ragging Committee and an Anti - Ragging Squad. There should be a Monitoring Cell on Ragging at the University Level that would coordinate with the affiliated colleges and institutions under its domain. There should be a Monitoring Cell at the level of the Chancellor of the State Universities.
  - In the, light of the increasing number of private commercially managed, lodges or hostels outside campuses, such hostels and management must be registered with the local police authorities and permission to start such hostels or register them must necessarily be recommended by the Heads of educational institutions. It should be mandatory for both local police, local administration as well the institutional authorities to ensure vigil on incidents that may come within the definition of ragging.
  - Wardens must be accessible at all hours and therefore it is important that they, be available on telephone and other modes of communication. Similarly, the telephone numbers of the other important functionaries - Heads of institutions, faculty members, members of the anti-ragging committees, district and sub-divisional authorities and state authorities where relevant, should also be widely disseminated for the needy to get in touch or seek help in emergencies.
  - Brochures or booklet/leaflet distributed to each student at the beginning of each academic session for obtaining undertaking not to indulge or abet ragging, shall contain the blueprint of prevention and methods of redress."

- The educational institutions shall ensure that each hostel should have a full-time warden who resides within the hostel, or at the very least, in the close vicinity thereof.
2. The Hon. Supreme Court acknowledged that The Ministry of Human Resource Development, Government of India, in consultation with UGC, MCI, AICTE and other similar regulatory bodies was in the process of setting up a central crisis-hotline and anti-ragging database in the manner suggested by Dr. Raj Kachroo. The Hon. Court, however, added that
    - The task of monitoring the database be given to a nongovernmental agency, to be immediately nominated by the Union of India to build confidence in the public and also to provide information of non compliance to the regulatory bodies and to the Raghavan Committee.
    - The database shall be created out of affidavits affirmed by each student and his/her parents/guardians, which affidavits shall be stored electronically, and shall contain the details of each student.
    - The database shall also function as a record of ragging complaints received, and the status of the action taken thereon.
  3. The Hon. Supreme Court ordered that Regulations on Curbing the Menace of Ragging, formulated by the UGC, must be adopted by all other regulatory bodies, such as AICTE, MCI, DCI, NCI etc.;
  4. The Hon. Supreme Court acknowledged that the incident involving the death of Aman Kachroo clearly indicated that the formulation of guidelines and regulations was not sufficient. Hence, the Hon. Court ordered that such regulations shall have to be enforced strictly, and penal consequences for the heads of the institutions/administration of the institution who do not take timely steps in the prevention of ragging and punishing those who rag. In addition to penal consequences, departmental enquiries be initiated against such heads institutions / members of the administration / faculty members / non-teaching staff, who display an apathetic or insensitive attitude towards complaints of ragging;
  5. The Hon. Supreme Court said that not only the students, but also the faculty must be sensitized towards the ills of ragging, and the prevention thereof. Non-teaching staff, which includes administrative staff, contract employees, security guards etc., have also to be regularly sensitized towards the evils and consequences of ragging;

6. The Hon. Supreme Court ordered that the Principal or Head of the Institution/Department shall obtain an undertaking from every employee of the institution including teaching and non-teaching members of staff, contract labour employed in the premises either for running canteen or as watch and ward staff or for cleaning or maintenance of the buildings/lawns etc. that he/she would report promptly any case of ragging which comes to his/her notice. A provision shall be made in the service rules for issuing certificates of appreciation to such members of the staff who report ragging which will form part of their service record.
7. The Hon. Supreme Court said that it was necessary that parents/guardians of freshers assume responsibility for promptly bringing to the notice of the Head of the Institution any instance of ragging.
8. The Hon. Supreme Court said that the SHO/SP, within whose jurisdiction a particular college falls, shall be responsible for ensuring that no ragging takes place on the campus of the concerned college, and to effectively deal with incidents of ragging, should, any such incidents take place. Once a central database/crisis hotline is made operative then as soon as SHO/SP, within whose jurisdiction a particular college falls, is contacted by the crisis hotline staff, then such SHO/SP shall deal effectively with the incident and cooperate and communicate with the crisis hotline staff and/or the independent monitoring agency. This will build confidence and encourage people to report incidences of ragging without fear or delay;
9. The Hon. Supreme court said that once the database/crisis hotline is operative, State Governments shall amend their anti-ragging statutes to include provisions that place penal consequences on institutional heads.

## INSTITUTE-INDUSTRY COLLABORATION COMMITTEE

Academic Year: 2023-2024

1. Creation of Cell The Institute Industry Collaboration Cell is established at SCET under the Institute-Industry Collaboration (IIC) scheme of the college with an anticipation of considerable progress year-by-year and the academic departments are dedicated to carry out various activities envisaged under the III independently and with support from the Training and Placement Cell, as deemed necessary.

2. The Objectives of Institute-Industry Interaction Cell The II Cell is established with the following major objectives:

To evolve educational program that are consistent with the broad requirements of the Industry and also that can give rise to engineering personnel capable of coping-up with the accelerating pace of the technological development

To create adequate facilities of updating knowledge of professional engineers and technologists to meet growth and developmental needs of the industry To coordinate the research and developmental activities of the two systems

3. Infrastructure The IIC Cell is located in the Administrative Block of Training & Placement Department. The total floor space available is about 100 sq. m., which include a meeting room with seating capacity of about 50 persons. Facilities such as photocopier and LCD projector are available with the Cell

### Strategy Adopted for institute-Industry Collaboration

4.1 The Concept in light of the liberal economic and industrial policy recently adopted by the Govt. of India, the industrial scenario is fast changing. Industries are compelled to export a part of their production and complete with multinationals for the internal market. The emphasis has shifted to quality

products and well trained manpower to produce such products. There has been a greater need for industries to depend on technical institutions for R&D and for supply of highly qualified and skilled manpower. Retraining of the work force has become major activity for all industries. There is, thus a good opportunity for institute to interact with industries for mutual benefits. The Institute- Industry Interaction would accrue mutual benefits when a symbiotic relationship is developed between the two systems. The ultimate aim of this relationship will be the creation of confidence in industry by the Institute which would result industries involving voluntarily the Institute at various stages of its development. The development of such symbiotic relationship requires, firstly, careful

understanding of the industry needs such as relevant R&D, cost effectiveness, time bound programmes, technology up gradation etc. by the Institute and, in turn, understanding the capabilities and limitations of the Institute by the Industry. Recognizing the above, following thrust areas have been identified which require immediate attention: o Reorientation of Curriculum o Exchange of Experts between the Institute and Industry o Institute to gain Confidence of Industry o Industry as a Consultant in R&D o Continuing Education Programme

4.2 Roadmap In keeping with the above thrust areas, following action plan has been prepared by the Institute to fulfill the aims of institute-Industry Interaction into achievements:

L. Preparing/updating of an information brochure giving salient features of the Institute including various programmes, R&D activities (completed/ongoing), expertise available.

Identifying and preparing/updating a list of top executives and technologists from various industries/establishments in the region and working out a system of inviting them to address the faculty and students
